

Tracing practice for the number 8. The page contains 30 individual tracing exercises arranged in three rows of ten. Each exercise features a small icon of a pencil at the top left, followed by a vertical line. The second line varies: it can be solid, dashed, or a combination of solid and dashed segments. The third line is also solid, dashed, or a combination of solid and dashed segments. The exercises are designed to help children learn the stroke order and direction for writing the number 8.
